We will leave your Inn unlocked with the lights on and your key on a table near the entrance. Please keep our cell phone number, 304-633-2160 with you as you travel in case you need to get in touch with us for any reason, including directions. When you call or email us about your arrival time we would appreciate you providing us with a cell phone number where you can be reached while traveling in case we need to contact you.

Speaking of directions some people have experienced difficulties with their GPS systems and have been provided less than desirable information. In all probability you will be traveling East or West on I-64. You need to get off at Exit 8 outside of Huntington.

If you are traveling East on I-64: Get off at Exit 8, at the stop light turn left toward Huntington and go about 2 blocks to a traffic light. Turn left at the light onto West I-64 entrance ramp, go for about 2 blocks and turn right onto Johnstown Road before you reach the Interstate. Stay on Johnstown Road .9 of a mile (9 blocks) to a stop sign where Johnstown Rd intersects with Harvey Road. Turn left onto Harvey Road and cross a small bridge and proceed about 1.7 of a mile to the Farm.

If you are traveling West on I-64: Get off at Exit 8 and proceed straight to the traffic light. (Do not turn right into Huntington). At the green light travel straight across Rt. 152 and onto the West I-64 entrance ramp as if getting back on the Interstate. Go down the entrance ramp for about 2 Blocks and turn right onto Johnstown Road before you reach the Interstate. Stay on Johnstown Road .9 of a mile (9 blocks) to a stop sign where Johnstown Road intersects with Harvey Road. Turn left onto Harvey Road and cross a small bridge and proceed about 1.7 of a mile to the Farm.

LOCATING THE APPLEBUTTER INN

If you are arriving during our regular office hours of 10 am to 3 pm: Enter the Main Gate and come to the office for further assistance.

If you are arriving after regular hours: The following should help you locate your particular Inn.

APPLEBUTTER INN: The third gate is the main gate and will normally be closed after 3 pm. However, on weekends it is frequently open for activities in other buildings. If it is open turn right thru the gate and proceed down the gravel road bearing to your right about a block to a small bridge. Turn left across the bridge and park across from the ApplebutterInn which is located on the right immediately after the bridge. If after 3pm and the main gate is closed continue on to the large barn and silo and make a sharp right turn thru that gate and continue past the Strawberry Inn thru a second gate and travel along the wooden fence about 5 blocks to a bridge across from the office. Turn left across the bridge and park in the grassy area across from the ApplebutterInn. This is, also, the way to exit in the evening if the main gate is closed.

We probably have given you much more information than you will need. However, we want your stay to be very pleasant and that is hard to do if you are traveling late, the weather is not ideal and you are not sure where you are going. Remember to call us if you have any questions.
