Speaking of directions some people have experienced difficulties with their GPS systems and have been provided less than desirable information. In all probability you will be traveling East or West on I-64. You need to get off at Exit 8 outside of Huntington.

If you are traveling East on I-64: Get off at Exit 8, at the stop light turn left toward Huntington and go about 2 blocks to a traffic light. Turn left at the light onto West I-64 entrance ramp, go for about 2 blocks and turn right onto Johnstown Road before you reach the Interstate. Stay on Johnstown Road .9 of a mile(9 blocks) to a stop sign where Johnstown Rd intersects with Harvey Road. Turn left onto Harvey Road and cross a small bridge and proceed about 1.7 of a mile to the Farm.

If you are traveling West on I-64: Get off at Exit 8 and proceed straight to the traffic light. (Do not turn right into Huntington). At the green light travel straight across Rt. 152 and onto the West I-64 entrance ramp as if getting back on the Interstate. Go down the entrance ramp for about 2 Blocks and turn right onto Johnstown Road before you reach the Interstate. Stay on Johnstown Road .9 of a mile(9 blocks) to a stop sign where Johnstown Road intersects with Harvey Road. Turn left onto Harvey Road and cross a small bridge and proceed about 1.7 of a mile to the Farm.

LOCATING THE BLACKBERRY INN

If you are arriving during our regular office hours of 10 am to 3 pm: Enter the Main Gate and come to the office for further assistance.

If you are arriving after regular hours: The following should help you locate your particular Inn.

BLACKBERRY: Continue on Harvey Road about another five blocks, pass the main gate and the old barn and silo, go past the entrance and sign to the Strawberry Inn and turn right at the Blackberry Inn sign at an entrance just before a black building beside the road. Proceed across the small bridge and immediately turn left. You will see the Blackberry Inn located behind the wooden fence around the swimming pool. Park anywhere in the area.

We probably have given you much more information than you will need. However, we want your stay to be very pleasant and that is hard to do if you are traveling late, the weather is not ideal and you are not sure where you are going. Remember to call us if you have any questions.
