Horton Hears a Who! (also known as Dr. Seuss' Horton Hears a Who! or simply Horton) is a 2008 American animated adventure comedy film based on the 1954 book of the same name by Dr. Seuss, produced by Blue Sky Studios and distributed by 20th Century Fox. The film was directed by Jimmy Hayward and Steve Martino, from a screenplay written by the writing team of Cinco Paul and Ken Daurio. It stars the voices of Jim Carrey and Steve Carell as Horton the Elephant and Mayor Ned McDodd, respectively, alongside Carol Burnett, Will Arnett, Seth Rogen, Dan Fogler, Isla Fisher, Jonah Hill, and Amy Poehler. Recurring Blue Sky collaborator John Powell composed the film's musical score. It is the fourth screen adaptation of the book following the 1970 Chuck Jones television special, the 1987 Soviet animated short, and the 1992 Russian animated short.

The film was released theatrically on March 14, 2008, to generally positive reviews, and grossed \$298 million on a budget of \$85 million. Horton Hears a Who! was the third Dr. Seuss feature film adaptation, the first adaptation to be fully animated using CGI technology, the first and only, thus far, theatrical film adaptation to receive positive reviews, and the second Dr. Seuss film starring Jim Carrey after *How the Grinch Stole Christmas* (2000).

Horton Hears a Who! is a children's book written and illustrated by Theodor Seuss Geisel under the pen name Dr. Seuss. It was published in 1954 by Random House. This book tells the story of Horton the Elephant and his adventures saving Whoville, a tiny planet located on a speck of dust, from the animals who mock him. The political messages of American children's author and cartoonist Theodor Seuss Geisel, best known as Dr. Seuss, are found in many of his books. Seuss was a liberal and a moralist who expressed his views in his books through the use of ridicule, satire, wordplay, nonsense words, and wild drawings to take aim at bullies, hypocrites, and demagogues.

Earlier in his career, Seuss created political cartoons. Seuss's political ideas can also be found in books such as: *The Lorax*, *Marvin K. Mooney Will You Please Go Now!*, *The Cat in the Hat*, *Horton Hears a Who!*, *Yertle the Turtle*, *The Sneetches*, and *The Butter Battle Book*. Although his books commonly contain anti-fascist and anti-racist themes, they also commonly utilize racial stereotypes when depicting non-white individuals.

How the Grinch Stole Christmas! is a children's Christmas book by Theodor "Dr. Seuss" Geisel written in rhymed verse with illustrations by the author. It follows the Grinch, a green cranky, solitary creature who attempts to thwart the public's Christmas plans by stealing Christmas gifts and decorations from the homes of the nearby town of Whoville on Christmas Eve. As a result of the townspeople's response, the Grinch realizes

that Christmas is not all about money and presents.

The story was published as a book by Random House in 1957, and at approximately the same time in an issue of *Redbook*. The book criticizes the commercialization of Christmas and the holiday season.

The book has been adapted many times, first as a 1966 animated TV film narrated by Boris Karloff, who also provided the Grinch's voice. In 1977, a Halloween prequel, *Halloween Is Grinch Night*, aired with the Grinch voiced by Hans Conried. These were followed with a 2000 live-action feature film starring Jim Carrey, a 2007 musical, a 2018 animated film starring Benedict Cumberbatch, a 2020 live television adaptation of the musical starring Matthew Morrison, an unauthorized 2022 slasher horror parody film starring David Howard Thornton and a 2023 *Wondery* podcast starring James Austin Johnson.

Green Eggs and Ham is a children's book by Dr. Seuss. It was published by the Beginner Books imprint of Random House on August 12, 1960. The book follows "Sam-I-am" as he follows an unnamed character, repeatedly requesting that he try a dish of green eggs and ham before the unnamed character eventually tries and approves of it.

Seuss began writing *Green Eggs and Ham* after Bennett Cerf, his editor, bet him \$50 (equivalent to \$531 in 2024) that he could not write an engaging children's book using a vocabulary of 50 words. Finding the challenge difficult, Seuss used notes, charts, and checklists to keep track of his progress. The book covers themes of conflict between individuals, though Seuss has stated that it lacks any deeper meaning.

Green Eggs and Ham was widely praised by critics for its writing and illustration, and the challenge of writing a book in 50 words is regarded as a success. The book has been the subject of multiple adaptations, including a television series of the same name in 2019.
